

REMARKS

Status of Claims

Claim 15 has been canceled without prejudice or disclaimer. Claim 14 has been amended. Claims 2-14 are in the case.

Rejections Under 35 USC §112

The Action rejects claim 2-14 as being indefinite for failing to particularly point out the subject matter which Applicants regard as the invention.

Applicants have amended claim 14 to more clearly express the subject matter that Applicants regard as the invention without altering the scope of the claim. Applicants respectfully request withdrawal of the rejection of claims 2-14 based on the amendment.

The only other rejection of record is a rejection of claim 15. As claim 15 has been canceled, that rejection is moot.

CONCLUSION

The claims are now believed to be in condition for allowance and such favorable action is respectfully requested. If the Examiner has any questions or comments that might expedite allowance of the claims, a telephone call to the undersigned at 512.542.8446 is welcomed.

Respectfully submitted,
